

CLOSED SESSION - REGULAR COUNCIL MEETING
NOVEMBER 25, 1999

COMMUNITY IMPROVEMENT PROGRAM

Clerk advised Council that Wayne Smith from Community Improvement was up and confirmed to her that the new roof on the office building would not be covered under Community Improvement monies, but if we had installed new siding, it would have been covered.

Council agreed that two bathrooms (10' long) be installed over at the Ambulance/Fire Hall building; three new windows be ordered for the office building, and a new steel door to replace the present sliding door. Also, Mayor Ross will contact Kent's to order some new picnic tables. Mayor Ross will call Target's and obtain prices for these projects.
