

**VILLAGE OF STANLEY**  
INCORPORATED 1966

**SPECIAL MEETING OF STANLEY VILLAGE COUNCIL**  
**WEDNESDAY NIGHT, NOVEMBER 7, 2001**  
**8:00 PM**

Council met with RCMP Representative, Cst. Michael Mills, who stated that he really couldn't tell us very much, only that on Thursday, Nov.8/01, Jim MacPherson and Sandra Christopher, were coming up from Fredericton to interview some students who are deemed suspicious in this case (Halloween Fire). They are with GIS (General Investigation Service) and are very good at their job.

Council expressed to him that they were quite unhappy with the way things have been happening here lately regarding RCMP and many other things. They stated that they would like to meet with someone with RCMP to voice these complaints, etc. Cst. Mills suggested that Council contact the District Commander. Mr. John Coleman, or if not successful here, to go to the J Division Commanding Officer.

Cst. Mills and Council also discussed the possibility of setting up a Neighborhood Watch Group in Stanley, N.B.

Cst. Mills stated that he was very optimistic about finding those involved in the Halloween fires, and hoped that it would be done within two weeks.

Council left this meeting to sit in on a meeting with The Stanley Agricultural Society regarding whether or not they are going to rebuild. This meeting took place at the home of Mrs. Jean Hood, and they did agree that they are going to rebuild.
