2 MOCK DISASTER

He had three topics to be discussed as follows:

- 1) What are the training needs?
- 2) Better Communications.
- 3) The Emergency Plan and Procedures.

After much discussion, it was agreed that each department should have one trained person. Pierre advised that some courses are available on line. Clerk will contact Randy Robinson to ask what training those involved should take.

It was agreed that on Monday Night, September 16, 2002 at 7:30 PM at the Stanley Village Office, Deputy-Mayor Barbara MacDonald and Councillor Ross Walker will attend a Radio Training Session; Rain Date scheduled for Monday Night, September 23, 2002 at 7:30 PM.

It was agreed that Council need pagers, but someone will contact Marilyn Evans first to see which pager system is the best.

Clerk was instructed to also ask Randy Robinson the status of the two (2) radios at the Village Office – do they have to remain at the Command Center at all times? She will also ask Randy to fax us the dates of upcoming courses

Clerk to contact Lindsay Carr at D.O.T. to ask if one bus can be left at the Government Garage at all times.

3 NICKY PALMER & MARSHA MUNN - SEPTIC SYSTEM

Mayor Foreman stated that he had spoken with Marsha, and she is to contact Clerk to get the number for Environment to explain her situation to them and to arrange for an inspection of her

system, once it is initiated. He stated that we will set up some sort of a temporary arrangement made during our next Council Meeting on July 18th, 2002.

4 **ROBERT POND - CRACKED MANHOLE COVER**

Councillor Ross Walker will contact Lindsay Carr at D.O.T. to see about getting the cover repaired.
