6 **WATER PROBLEMS - APT. #1**

Danny Gill from Cullighan was up today and checked out the situation in Apt.#1. He advised that the system at the apt. was installed by a crook who has no credentials and has never been back to check on it. He stated that a lot of her trouble is coming from this system, and also due to the fact that the Purification System in the basement is out of salt and is not regularly checked. He plans to come up tomorrow to get it going again.
