**WATER PROBLEMS AT APARTMENT #1 - ANNA DORCAS**

Councillor T. Hunter was approached by Anna Dorcas who complained about water stains on her clothes when she did her wash and was not very happy with her water problems. The Clerk contacted Gary Spencer by phone and he stated that he would check it out this evening. He did visit the apartment during Council Meeting and Councillor Hunter accompanied him. He reported back to Council that he would do a test to find out exactly what the problem could be – he assumed that it was probably iron, but would do a professional check. He stated that there were various options to systems that we could purchase the correct the situation.

**ACTION: GARY SPENCER**

**R C M P**

Cst. M. Beauchamp and Cst. Victor Dray were present at our meeting and reported that things in the area have been relatively quiet. They advised that their new office at the High School should be completed in another week or so, and they will be holding an Open House. They have been working on the problem with trucks on the hill.
