

SPECIAL MEETING OF STANLEY VILLAGE COUNCIL

SHAWN & HEATHER SAMPSON

Requested that we reduce their rent that we quoted (\$800 per month) for half of the former DNR building. They are having some financial difficulties to get monetary assistance but are still hoping to achieve this goal. After much discussion, Council agreed that we could not lower the rent because of costs of heat, etc. and the fact that we just spent \$5,000. + on a new bathroom. Clerk will send them a letter to inform them of this decision.
