OFFICE ADMINISTRATION

Clerk advised Council that her doctor recommended that she only work two ½ days per week for 2 months – she has agreed to work on Monday Afternoons and Thursday Afternoons from now until the end of April 2010. At that time, the doctor will reassess and she will plan to resume the same hours as she previously had been doing before. Also, she asked Council's permission to change (for the 2 months) the office hours on Tuesday Morning to Friday Morning as Shelley D. Bartlett has agreed to work all day every Thursday and Friday Mornings. This will continue each week from now on as the work involved in this position cannot be completed in 2-1/2 to 3 days per week so this should alleviate some overload work problems. Thus, Council would be responsible to cover Monday Mornings from 9:00 – Noon until that time when the Clerk resumes her regular hours.

S. D. Bartlett asked Council if she could go on payroll to alleviate the problems of no deductions, etc. with lump sum payments. Council agreed that she go on payroll. Clerk advised Council that Shelley D. Bartlett has been training in the work involved with this position and will continue to do so, despite the fact that she may be jeopardizing her own job at this time, and asked Council if they would agree to an agreement with S. D. Bartlett that when this position becomes available, that she be allowed to submit an application.

Clerk will post the new hours on the door and put a new message on the phone.
