

SPECIAL COUNCIL MEETING
Monday, February 8th, 2010, 7:00 p.m.
SHS Co-Op Students

In Attendance:

Richard Storey
Shelley D. Bartlett
Tracy Hunter
Barbara MacDonald
Tom Cameron – SHS Co-Op Program Supervisor
Ryan Spencer – Student
Stacey McAloon – Student

Tom Cameron requested Council consider having two Co-Op students beginning February 15th, 2010 until the first week in June. They would come to the office to assist every afternoon (except Fridays for the first four weeks) from 2:00-3:00 p.m.

Mr. Cameron advised that Ryan & Stacey are trustworthy, diligent, intelligent students who were more than willing to take on many different duties. He suggested that some work be done as a team and some individually, and Council agreed. Shelley will be liason between Council/Students and Mr. Cameron. The students will be required to keep daily and weekly logs, which will have to be signed by a supervisor. The students are covered by WCB and have CPR training.

Council discussed with Mr. Cameron and students a few of the projects to be worked on, i.e. by-laws, ETF, Maps, Tourism info, Website, etc. It was stressed that there would not be someone in the office each day to supervise the students and Mr. Cameron advised that he would act as supervisor on those days and periodically drop in to check on things. The parents of the students are aware there is not an adult in the office with them at all times and are okay with that.

Mr. Cameron, Ryan and Stacy left at about 7:30.

Rick advised that he was speaking with Lorna and she is going to try to return to work a day on Monday.

It was discussed that a follow up meeting should be set with the members of the Agrena Board to discuss what their intentions are with respect to the renovations and the loan they asked the Village to apply for on their behalf. Shelley to contact Karen or Carl to arrange a meeting tentatively for Monday February 15th, at 7:00 p.m.

This meeting adjourned at approximately 8 pm.
