Canada Day

In an effort to promote the Fire Department, Mayor Storey spoke with Shawn Sampson about having his Ice Cream Truck at the fire hall on Canada Day, handing out free ice cream. Shawn advised he had already been asked to have the truck on the fair grounds but that he would honor 200 coupons for ice cream. The Village will pay the equivalent of the ice cream handed out.

Fire Boundaries

A follow up letter should be sent to Peter Kavanaugh regarding the fire boundaries being changed.

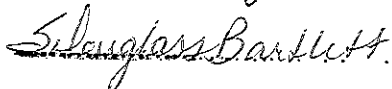

Village Signs

Tracey advised the Village Signs are ready to be picked up. Barb and Doug will do this.
