In Attendance:

Richard Storey, Mayor
Barbara MacDonald, Deputy Mayor
Tracy Hunter, Councillor
James Pinnock, Councillor
Shelley Douglass, Clerk

Meeting to discuss:

Sewage By-law/Accounts/

Council met to discuss the current sewage by-law and changes to it. Council was provided a copy of **W1, A BY-LAW RELATING TO THE SEWERAGE SYSTEM** drafted in 2003 but never enacted. Council will review this document and make suggestions for revisions/additions if appropriate.

Council reviewed the customer list and active sewage accounts by route/road/street and adjusted units charged, etc. where appropriate. Several vacant lots within the Village boundaries which are able to connect to the system but are not connected at this time and are not being billed, if residential, may be subject to 25% of the annual fee for one unit. Vacant Commercial/Industrial/Institutional lots not connected may be charged the full annual fee for one unit. Clerk will attempt to determine the owners of these lots not currently being billed.

Council will meet again on Thursday, January 12th, 2012 to continue the sewage review.

Motion to Adjourn. B. MacDonald at 8:45 p.m.
