

Tuesday, May 26, 1950.

A special meeting of the Stanley Village Council was held in the Council Chambers. Mayor John Mac Gilleway, Councillor James Buttany, Councillor Carl Mac Naughton and Councillor Angus Sanson were administered the Oath of Office by the Clerk.

During the short meeting that followed, it was moved by Councillor Sanson and seconded by Councillor Buttany that the clerk write a letter to the Federation Fire Department thanking them for help during a recent oil truck fire.

Mayor Mac Gilleway expressed a worry about the state of the old Moore building. Concern was also expressed about the future condition of the hospital. Councillor Buttany said he'd discuss the latter with Duggie Mac Donald.

On a motion from Councillor Sanson, seconded by Councillor Buttany it was decided to donate twenty-five dollars to Stanley High School prize list.

Meeting adjourned on a motion by Councillor Mac Naughton.
