Council had a special meeting with members of the Stanley Fire Department to discuss and make plans for the forthcoming year.

Thursday, January 14, 1982.

The regular monthly meeting of the Stanley Village Council took place in the Council Chambers with Mayor John Mac Gilleway in the chair. The meeting opened with a prayer for Civic Authorities.

The minutes were read and approved on a motion from Councillor Britton seconded by Councillor Sanson.

Council was informed that the R.C.M.A. had forwarded it's request for a survey of Village parking problems to The Department of Transportation. The R.C.M.A. asked Council to contact them when the survey is done.

Councillor Sanson is concerned that the Village is paying to have planting done that is not on Village property behind the York Co Woods' Producers building. Councillor Mac Naughton volunteered to clarify this subject with Doug Mac Donald.

Unpaid Hodge bills were discussed. Council decided to consult a lawyer on this subject. Both Councillor Britton and Councillor Sanson had lawyer names to suggest. Council decided to let the clerk choose.

Skating has yet to start at the rink & it seems that there is building going on without a permit having been issued. Upper Washburn Recreation Council has been given a Community Development Grant and Council wondered if some of the money is being spent on the rink. Councillor
