RE: BUDGET

Earle MacNaughton, Councillor  
Lorna Pinnock, Clerk

MINUTES

The Mayor gave a brief report on the CN Property re Elsie Reid. According to Mr. Peter Forbes, it seems that, with the property concerned, she is the only one that never had a conveyance to the Railway. Numerous searches have failed to produce such a conveyance.

Mayor suggested to Council a reminder of the fact that we had given Mr. Dexter Chaffey the assumption that we would assist in finances for the new Radio System for the Fire Department. As our dollars for 1989 are going to be much lower, it seemed almost impossible to budget for this money. After much discussion, Council agreed that the funds received from the sale of the CN property would be put toward the expense of the Radio System. It can be purchased on a three-year term, with monthly payments of \$335.00, amounting to \$4,020 yearly.

Mayor and Clerk reviewed the budgets with Council, explaining changes in some figures.

MOTION: Councillor Bogisch moved that we submit the Operating Budget as prepared by the Clerk. MOTION: B. Bogisch / F. Hood.

MOTION: Councillor Hood moved that we accept and submit the Utility Budget as prepared by the Clerk. MOTION: F. Hood / B. Bogisch.
