PRESENTATION BY LOWELL JOHNSTONE RE CIBC CUTBACK
OF SERVICE TO STANLEY

Mr. Johnstone had prepared a presentation for Council re the above which was well received. He had written many letters to higher departments of CIBC and others regarding this cutback. He suggested to Council that they write to Hon. Frank McKenna, Hon. Andy Scott and the local M.L.A.'s, and also to all others that he had written. Since the cutback is to take place around the 1st of March, there isn't much time to do anything, so Mr. Johnstone and Council agreed to prepare two petitions, one for businesses, and one for residents, and Mr. Johnstone agreed to prepare the wording for the petitions, and Council will look after distributing same. Hopefully, with the joining of Council and residents and businesses of the area, something will be able to be done to halt this plan.

4 **JERRY CHEVRIER - RE GLEN RD. PROPOSED WALKING TRAIL**

He was present on behalf of himself and Mrs. Carla Dionne to express their concerns with possible disadvantages for residents on the Glen Road with the plans for this Walking Trail. He wondered if it would be an alternative for a place for young people to hang out to drink, party, etc. Also, he wondered how it would affect the traffic on the Glen Road. Council reassured him that it should not affect traffic as it is only for those people who want a place to walk, and that it will not be wide enough for any vehicles, etc.; and if it presents any of these problems, Council will step in to alleviate them. Mr. Chevrier stated that he was not against the plan, but only wanted to voice his concerns.
