

REGULAR MEETING OF STANLEY VILLAGE COUNCIL

JUNE 8, 1995

In Attendance:

Mayor Roger Ross
Councillor Barbara MacDonald
Councillor Rosemarie Regan
Councillor Mark Foreman
Clerk - Lorna Pinnock
RCMP - Const. MacLean

1 PRAYER FOR CIVIC AUTHORITIES

2 R. C. M. P.

Council asked Const. MacLean what the reason is for tickets not being issued over at the corner by the Bank for illegal parking, and he advised that since the construction of the signs has been done by the Municipal Gov't., they cannot issue the tickets, but stated that, to the best of his knowledge, if we contacted Dept. of Transp. and asked them to erect the signs after we take them down, then tickets should be allowed to be issued. Mayor Ross will arrange to have the No Parking Signs taken down and will ask Walter Dorcas to re-install them. Hopefully, this problem will end, and the illegal parking will be stopped considerably.

Cst. MacLean advised that extra patrol will be used next week-end during Graduation, and stated that they are bearing down on the hazardous speeders that have been present throughout the Village recently. He circulated a letter from Staff Sgt. Ouellette in which he advises Council that he is still continuing to work toward establishing a detachment in Stanley, even though he now will be stationed in Oromocto, starting next week.
