

SPECIAL MEETING OF STANLEY VILLAGE COUNCIL

AUGUST 9, 1995

3:00 PM

In Attendance:

Mayor Roger Ross

Councillor Barbara MacDonald

Councillor Mark Foreman

Councillor Rosemarie Regan

Clerk - Lorna Pinnock

R.C.M.P. - Susan Upton, W. A. Linton, One Other Member

An informal meeting was held with members of the R.C.M.P. whereby they made a video presentation on new developments with District Policing in the Province of New Brunswick. A few of the topics included in the presentation were as follows:

The meaning of DISTRICT POLICING - the grouping of a number of detachments within a given region into one distinct district.

Some of the objectives of District Policing are:

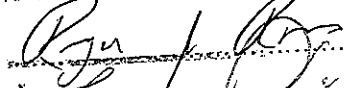

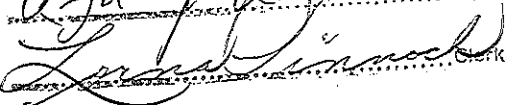

- To provide better community based policing services to clients;
- To be ready for innovative changes in the criminal justice sector in New Brunswick;
- To make better use of existing resources at no extra cost.

Different areas of the province have different identification letters, and we are in the "J" Division.

The topic of a possible detachment in the Stanley area was raised, and those members present were very encouraging concerning the possibility of same. They indicated that things were going in the right direction, and it would just take time. Housing is a main priority, and if a suitable housing arrangement could be established, they were confident that we would have a member living in the area in no time. Reports were that funding has been approved for one house.

The meeting adjourned at approximately 5:05 PM.
