

VILLAGE OF STANLEY  
INCORPORATED 1966

8:30 PM - 9:30 PM

SPECIAL MEETING OF STANLEY VILLAGE COUNCIL

APRIL 16, 1996

Those Present:

Chris MacPherson - Cancer Care Campaign  
Margaret Bannister - Cancer Care Campaign  
Mayor Roger Ross  
Councillor Barbara MacDonald  
Councillor Rose Regan  
Clerk - Lorna Pinnock

Mr. MacPherson and Ms. Bannister displayed 2 video's on Cancer Care at the DECH in Fredericton, and urged Council to participate in this Campaign. The Campaign will hopefully raise dollars to improve the Care that is received by Cancer patients and enable them to be treated closer to home and to have a more reasonable access to the needs that they require, rather than having to travel to Saint John for treatments, etc.

They advised on how other Villages and Towns have raised money toward this Campaign, and gave many suggestions to us such as a Pancake Breakfast, a Walk-a-Thon with Pledges, Car Washes, Tel-e-Thon, etc. Relay Race, etc. This Program is a 2-Year Program and has another year to go.

Council agreed that they would have to give this project some thought and advise of their decision later.
